

**MEASURE UP . . .
CORRECTLY**

If possible, have someone else measure you. Tape should be kept snug but not tight.

PANTS

WAIST: Measure around, at the position you usually wear your trousers, over shirt (not over trousers or belt).

INSEAM: Measure from the crotch seam, in position you normally wear your pants, down inside (inseam) of leg to actual pant length desired.

SHIRTS

NECK SIZE: Measure around neck, snug but not tight, where collar is worn.

SLEEVE LENGTH: Measure from middle of back of neck, across the shoulder, around point of elbow (with elbow bent), to wrist (at point you like your sleeve to end).

JACKETS & COVERALLS

Measure well up under arms, across shoulder blades, and around the fullest part of chest. Allow for liner or other clothing underneath.

Work Pant Size Chart

Mens Sizes: Waist 28, 29, 30, 31, 32, 33, 34, 35, 36, 38, 40, 42, 44, 46, 48, 50, 52

NON-STANDARD SIZES: Due to the increase in manufacturing costs some non-standard sizes have a minimum order quantity of 4 per style per size on work shirts and trousers. Please contact Customer Service for delivery time, sizing availability and prices. Non-standard size garments are not returnable unless defective.

TERMS: Open account extended to firms rated 1 or 2 in Dun and Bradstreet. If not rated, please submit payment with order. Net 15 days, 1½% monthly interest will be charged after 30 days. Please supply credit information so that we can place you on open account for your reorder. Applicable state and local tax may be added.

SHIPPING/HANDLING: Actual shipping and handling charges will appear on your invoice.

CAUTION: These garments are not manufactured for protection from flames, sparks, flammable fluids, high temperatures, or caustic materials. Fire resistant garments are available; contact Protexall, Inc.

GUARANTEE/RETURN POLICY: Every Protexall garment is guaranteed to meet with your complete satisfaction. If you are not fully satisfied with any Protexall garment, just call us for a return authorization number. We will exchange, correct, or issue credit on any defective item. Non-standard size garments and garments that have been worn or laundered, or garments that have been lettered according to your instruction are not returnable. Due to color variations of dye lots, we cannot guarantee exact color matches of material with each shipment. Occasionally, items may be substituted with a comparable item. Returns for size exchange or credit must be made within sixty days of shipping date. Garments returned for credit, shipped according to your instructions or purchase order, are subject to a 20% restocking fee.
